Dear yi zou,

Thank you for your submission to ICME 2025:

1798: STTODE: Spatio-Temporal Transformer Ordinary Differential Equation Networks for Pedestrian Trajectory Forecasting

We are pleased to inform you that the above mentioned paper has been accepted to ICME 2025. Congratulations! Reviews and meta-reviews for your paper are available in the CMT.

Camera-Ready Papers

Please prepare the camera-ready version of the paper according to the instructions at: <https://2025.ieeeicme.org/camera-ready-instructions/> Note that PDF files need to be checked via IEEE PDF eXpress prior to uploading to CMT, please see instructions on the website for details. Author additions/removals are not allowed; only the changes specifically requested by Reviewers or Area Chairs are allowed. If you have promised to release the code and/or data in your rebuttal, we expect you to honor that promise. Camera-ready paper deadline is April 2, 2025.

Registration

Please make sure to register at the author rate by April 25, 2025. Each paper needs to be covered by at least one author registration, and one author registration can cover up to two papers. Further details can be found at: <https://2025.ieeeicme.org/registration/>

Presentation

You will be notified of the format of the presentation (oral/poster) and the program schedule when it is ready. In the meantime, we would like to remind you that ICME 2025 is an in-person event and each paper is expected to be presented in-person. Commitment to present in-person was one of the conditions for paper submission. Please refer to conference policies for further details: <https://2025.ieeeicme.org/conference-policies/>

Code of Conduct

ICME 2025 is an IEEE event and has no tolerance for discrimination, harassment, or bullying. Unprofessional, hostile, or aggressive communication—whether via email or other channels—will not be tolerated. We are aware that a number of authors have complained about paper decisions even before the official decision announcement in this e-mail. The Chairs are keeping a record of all such incidents and will act in accordance with IEEE policies and procedures.

We look forward to seeing you in Nantes, France, at ICME 2025!

Thank you!
ICME 2025 TPC Chairs
